RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

Summary: In accordance with the Paperwork Reduction Act of 1995, the Railroad Retirement

Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information

and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes

the information we seek to collect from the public. Review and approval by OIRA ensures that

we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the

practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3)

ways to enhance the quality, utility, and clarity of the information that is the subject of collection;

and (4) ways to minimize the burden of collections on respondents, including the use of

automated collection techniques or other forms of information technology. Comments to the

RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of

your comments, it is best if the RRB and OIRA receive them within 30 days of the publication

date.

1. Title and purpose of information collection: Certification of Termination of Service and

Relinquishment of Rights; OMB 3220-0016.

Under Section 2(e)(2) of the Railroad Retirement Act (RRA), an age and service annuity,

spouse annuity, or divorced spouse annuity cannot be paid unless the Railroad Retirement

Board (RRB) has evidence that the applicant has ceased railroad employment and relinquished

rights to return to the service of a railroad employer. Under Section 2(f)(6) of the RRA, earnings

deductions are required for each month an annuitant works in certain non-railroad employment

termed Last Pre-Retirement Non-Railroad Employment.

Normally, the employee, spouse, or divorced spouse relinquishes rights and certifies that employment has ended as part of the annuity application process. However, this is <u>not always</u> the case. In limited circumstances, the RRB utilizes Form G-88, *Certification of Termination of Service and Relinquishment of Rights,* to obtain an applicant's report of termination of employment and relinquishment of rights. One response is required of each respondent. Completion is required to obtain or retain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (82 FR 37133 on August 8, 2017) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

2. Title and Purpose of information collection: Statement of Authority to Act for Employee; OMB

3220-0034.

The RRB utilizes Form SI-10, Statement of Authority to Act for Employee, to provide the means for an individual to apply for authority to act on behalf of an incapacitated employee and also to obtain the information necessary to determine that the delegation should be made. 3. Title and Purpose of information collection: Employee Non-Covered Service Pension Questionnaire; OMB 3220-0154

Section 215(a)(7) of the Social Security Act provides for a reduction in social security benefits based on employment not covered under the Social Security Act or the Railroad Retirement Act (RRA). This provision applies a different social security benefit formula to most workers who are first eligible after 1985 to both a pension based in whole or in part on non-covered employment and a social security retirement or disability benefit. There is a guarantee provision that limits the reduction in the social security benefit to one-half of the portion of the pension based on non-covered employment after 1956. Section 8011 of P.L. 100-647 changed the effective date of the onset from the first month of eligibility to the first month of concurrent entitlement to the non-covered service benefit and the RRA benefit.

Section 3(a)(1) of the RRA provides that the Tier I benefit of an employee annuity shall be equal

to the amount (before any reduction for age or deduction for work) the employee would receive

if entitled to a like benefit under the Social Security Act. The reduction for a non-covered

service pension also applies to a Tier I portion of the employee annuity under the RRA when the

annuity or non-covered service pension begins after 1985. Since the amount of a spouse's

Tier I benefit is one-half of the employee's Tier I, the spouse annuity is also affected.

Form G-209, Employee Non-Covered Service Pension Questionnaire, is used by the RRB to

obtain needed information (1) from a railroad employee who while completing Form AA-1,

Application for Employee Annuity (OMB No. 3220-0002), indicates entitlement to or receipt of a

pension based on employment not covered under the Railroad Retirement Act or the Social

Security Act; or (2) from a railroad employee when an independently-entitled divorced spouse

applicant believes the employee to be entitled to a non-covered service pension. However, this

development is unnecessary if RRB records indicate the employee has 30 or more years of

coverage; or (3) from an employee annuitant who becomes entitled to a pension based on

employment not covered under the Railroad Retirement Act or the Social Security Act. One

response is requested of each respondent. Completion is required to obtain or retain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (82

FR 37134 on August 8, 2017) required by 44 U.S.C. 3506(c)(2). That request elicited no

comments.
